

Goose Bay Educational Fish Net Site

Site in red

“...the waters along the western shore of the Knik Arm between the regulatory marker on the north shore of Goose Bay and Fish Creek, extending nor more than one mile offshore from mean high water, however the educational fishery shall no take place in the tidal channel of Fish Creek at any stage of the tide, or in Fish Creek”.

*There is parking at the “P”, but you must now walk past the gate to the shore on the old road.

*DO NOT WALK ACROSS THE AIRSTRIP – this is an active runway
