Native Village of Eklutna

2024 Education Fishery Permit Program

Incidental Catch Report Form

Retention of King Salmon (Chinook) is not permitted under the ADF&G Educational Permit.

- King salmon caught must be returned to the water alive or dead. Any king salmon caught must be recorded on this form.
- Silver salmon caught *after the yearly limit has been reached* must be returned to the water alive. If the silver salmon is significantly injured beyond reasonable chance of recovery, it may be kept after recording it on this form.

Any other fish species not listed on the permit that is caught accidently must by recorded on this form.
